

```
#include <stdio.h>
```

```
int main ()
```

```
{
```

```
    for (int i = 3; i <= 23; i += 5)
```

```
    {
```

```
        printf ("%d ", i);
```

```
    }
```

```
    printf ("\n");
```

```
    return 0;
```

```
}
```
